**Celebrating 50 years in business!**

# TYRE ART - CREATE ART WITH TYRES

Create an innovative artwork or an upcycled creative product from used tyres.

## How to enter and criteria

The competition is **free to enter**. No purchase is necessary.

Deadline for entries is 12 noon, Tuesday 28th August 2018.  
Results will be announced on 31 August 2018 on our website at [www.arrowtyreservices.co.uk](http://www.arrowtyreservices.co.uk) and on our Facebook page.

**The competition is open to local artists, community groups and individuals living or working in East or West Sussex.**

Entrants can enter up to a maximum of 3 items.

Because of the nature of the material and the use of tools which will be needed to create the Tyre Art, we have restricted the entry to 18 and over and advise entrants to ensure they use appropriate gloves and equipment safely.

Resources of used tyres will be free of charge to people wishing to enter and collect, subject to their availability. Please phone 01273 515128 for details.

Please send a photograph of your entry, with 'Tyre Art' in the subject line, together with your **name, postcode, email address and a contact telephone number** to [arrowtyres@hotmail.com](mailto:arrowtyres@hotmail.com)

**Entries will be judged on the overall creativity of the finished artwork and/or product taking into account the skills it would have taken to produce, and the end use.**

Entries will be judged by Neal Griggs, proprietor of Arrow Tyres and Cllr Paul Boswell, Mayor of Newhaven. Judges decision will be final.

The winner will be notified by phone or email and a photograph of the winner receiving their prize with the Mayor of Newhaven will be used for publicity purposes following the event.

Your details will not be used for marketing purposes or passed to any third party.

Entrants can expect to see their work shared on social media during the competition. Ideas and inspiration can be found on Arrow Tyre's Pinterest and Facebook pages.
